## B-1 ADDITIONAL SLINS

Additional SLINs will be unilaterally created by the Contracting Officer during performance of this Task Order to accommodate the multiple types of funds that will be used under this Order.

## B-2 OTHER DIRECT COSTS

It is anticipated that ODC costs will consist mainly of travel and incidental material costs. The Government reserves the right to increase the Other Direct Costs CLINs to reflect increases for travel and other direct costs. Travel costs shall be reimbursed based on actual, reasonable costs in accordance with the Joint Travel Regulations or with FAR 31.205-46. Travel and Other Direct Costs (ODCs) will be non-fee bearing cost elements subject to Material Handling and G&A rates.

## B-3 FEE DETERMINATION AND PAYMENT (LEVEL OF EFFORT)

(a) Total Estimated Hours.

The total number of hours of direct labor (including overtime and subcontract hours), but excluding holiday, sick leave, vacation and other excused absence hours) estimated to be expended under this task order is SEE TABLE BELOW hours. The SEE TABLE BELOW direct labor hours include zero uncompensated overtime labor hours.

(b) Computation of Fee.

The fee per direct labor hour is computed by dividing the fixed fee amount shown in Section B by the number of estimated hours.

(c) Modifications.

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. NS02	AMENDMENT/MODIFICATION NO. 05	PAGE 8 of 60	FINAL
----------------------------------	----------------------------	----------------------------------	-----------------	-------

If the contracting officer determines, for any reason, to adjust the task order amount or the estimated total hours set forth above, such adjustments shall be made by task order modification. Any additional hours will be fee bearing, and the additional negotiated fee will be divided by the additional estimated hours to determine a new fee (applicable to the additional hours only). If the fee for these additional hours is different from that of the original estimated hours, these hours shall be kept separate from the original estimated total hours.

The estimated cost of the task order may be increased by written modification, if required, due to cost overruns. This increase in cost is not fee bearing and no additional hours will be added.

(d) Payment of Fee.

The Government shall pay fixed fee to the contractor on each direct labor hour performed by the contractor or subcontractor, at the rate of SEE TABLE BELOW per labor hour invoiced by the contractor subject to the contract's "Fixed Fee" clause, provided that the total of all such payments shall not exceed eighty-five percent (85%) of the fixed fee specified under the task order. Any balance of fixed fee shall be paid to the contractor, or any overpayment of fixed fee shall be repaid by the contractor, at the time of final payment.

Nothing herein shall be construed to alter or waive any of the rights or obligations of either party pursuant to the FAR 52.232-20 "Limitation of Cost" or FAR 52.232-22 "Limitation of Funds" clauses, either of which is incorporated herein by reference.

BASE YEAR	4001	(b)(4)		
OPTION I	7101			
OPTION II	7201			
AWARD TERM I	7301

The fee shall be paid to the prime contractor at the per hour rate specified in this paragraph regardless of whether the contractor or subcontractor is performing the work.

The Government reserves the right to transfer unused ceiling from one period to another as needed.

**B-4 LIMITATION OF LIABILITY - INCREMENTAL FUNDING (5252.232-9210)**

(a) This contract is incrementally funded with respect to both cost and fee.

(b) The amounts presently available and allotted to this contract for payment of cost and fee are as follows:

**ITEM(S) AMOUNT ALLOCATED (COST AND FEE)**

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. NS02	AMENDMENT/MODIFICATION NO. 05	PAGE 9 of 60	FINAL
----------------------------------	----------------------------	----------------------------------	-----------------	-------

4001 (b)(4)

6001 (b)(4)

(c) The parties contemplate that the Government will allot additional amounts to this contract from time to time by unilateral contract modification, and any such modification shall state the total amounts allotted for cost and fee, and the CLINs covered thereby.

(d) Subject to the provisions of FAR 52.232-22 "Limitation of Funds" clause of this task order, no legal liability on the part of the Government for payment in excess of the amounts provided above shall arise unless additional funds are made available and are incorporated via modification to this task order.

**B-5 OPTION EXTENSION COSTS**

In the event the Government exercises its rights to extend the order by up to six additional months pursuant to clause at FAR 52.217-8, Option to Extend Services, such extension will be considered to have been evaluated, as its cost shall be at the rates specified for the period that is being extended.

**B-6 AWARD TERM INCENTIVE (APPLICABLE TO CLINs 7301 and 7401)**

This Task Order has a one-year base and two one-year options with the potential to earn two one-year award terms by the contractor for exceptional performance. The maximum contract duration is five years and six months, if FAR 52.217-8, Option to Extend Services is exercised. A formal assessment of contractor performance will be conducted annually to determine whether award terms are earned or lost. An interim evaluation may take place at the mid point of each evaluation year to provide feedback to the contractor. Interim evaluations will not result in earning or losing award terms.

(a) Award Term. The award-term process is an incentive that permits extension of the Task Order period beyond the base/option period for exceptional performance or reduction of the Task Order period of performance for unsatisfactory performance.

(b) Evaluation System. The Contractor Performance Assessment Report System (CPARS) will be utilized to assess the contractor’s performance for award term purposes on this Task Order. CPARS normally covers twelve months of performance, beginning on the date the Task Order is awarded. Evaluation criteria are listed in **Attachment 6** and correspond to the five areas evaluated in CPARS. Evaluation criteria and their relative weight may change during the life of the Task Order. Changes to evaluation criteria will be handled in accordance with paragraph 5.0 of the Award Term Plan. Award terms may be earned during the first formal assessment; however, none are available to lose. Should an unsatisfactory rating occur during the first assessment period, termination for default, rather than loss of non-existent award terms may result.

(c) Monitoring of Performance. The contractor’s performance will be evaluated by the Award Term Review Board (ATRB). ATRB members evaluate the contractor’s performance, consider all information from

pertinent sources including the contractor's self-assessments and prepare a report supporting their recommendation to the TDO, as to whether award terms should be earned or lost.

(d) Award-Term Plan. This plan details the organization, responsibilities and processes by which the award term incentive will be administered. The evaluation system, associated ratings, award-term evaluation periods and the extensions or reductions are also in the plan. **See Attachment 6.**

(e) Modification of Award-Term Plan. Either Government or contractor representatives may propose changes to the award-term plan. The Government may make unilateral changes to the plan for evaluation periods that have not already begun. All contractor proposed changes, and any changes proposed to take effect in evaluation periods that have already begun, will be bilaterally negotiated. The PCO will provide written notification of plan changes to the contractor prior to the changes taking effect. If the PCO does not give written notice to the contractor of any change to the evaluation criteria prior to the start of a new evaluation period, then the same criteria listed for the preceding period will be used in the following evaluation period.

(f) Self-Evaluation. The Contractor shall submit self-assessments to the PCO no later than 30 days after the end of each formal evaluation period. The self-assessment should be consistent with contractor rebuttal information provided via CPARS, if any, and may not exceed five pages.

(g) Disputes. All TDO decisions and the methodology used to determine award terms are unilateral actions made solely at the discretion of the Government.

(h) Award-Term Extension. Any award terms earned or lost will be reflected in unilateral Task Order modifications implementing determinations made by the TDO. The maximum Task Order duration is five years and six months.

## **SECTION H SPECIAL CONTRACT REQUIREMENTS**

### **H-1 SEGREGATION OF COSTS (DEC 2003) (5252.232-9206)**

(a) The Contractor agrees to segregate costs incurred under this Task Order at the lowest level of performance, either task or subtask, rather than on a total Task Order basis, and to submit invoices reflecting costs incurred at that level. Invoices shall contain summaries of work charged during the period covered, as well as overall cumulative summaries by labor category for all work invoiced to date, by line item, task or subtask.

(b) Where multiple lines of accounting are present, the ACRN preceding the accounting citation will be found in Section B and/or Section G of the contract or in the task or delivery order that authorizes work. Payment of Contractor invoices shall be accomplished only by charging the ACRN that corresponds to the work invoiced.

(c) Except when payment requests are submitted electronically as specified in the clause at DFARS 252.232-7003, Electronic Submission of Payment Requests, one copy of each invoice or voucher will be provided, at the time of submission to DCAA, to the Contracting Officer Representative.

### **H-2 DATA RIGHTS**

The Data Rights clause in the basic contract is invoked for this Task Order.

### **H-3 CONTRACTOR PICTURE BADGE**

(a) A contractor picture badge may be issued to contractor personnel by the SPAWARSSYSCOM Security Office upon receipt of a valid visit request from the Contractor and a picture badge request from the COR. A list of personnel requiring picture badges must be provided to the COR to verify that the contract or delivery/Task Order authorizes performance at SPAWARSSYSCOM prior to completion of the picture badge request.

(b) An automobile decal will be issued by SPAWARSSYSCOM Security Office upon presentation of a valid contractor picture badge and the completion of the Badge and Decal Record.

(c) The contractor assumes full responsibility for the proper use of the identification badge and automobile decal, and shall be responsible for the return of the badge and/or destruction of the automobile decal upon termination of personnel or expiration or completion of the contract.

(d) At the completion of the contract, the contractor shall forward to SPAWARSSYSCOM Security Office a list of all unreturned badges with a written explanation of any missing badges.

#### **H-4 CONTRACTOR IDENTIFICATION (5252.237-9602) (MAY 2004)**

- (a) Contractor employees must be clearly identifiable while on Government property by wearing appropriate badges.
- (b) Contractor personnel and their subcontractors must identify themselves as contractors or subcontractors during meetings, telephone conversations, in electronic messages, or correspondence related to this contract.
- (c) Contractor-occupied facilities (on Department of the Navy or other Government installations) such as offices, separate rooms, or cubicles must be clearly identified with Contractor supplied signs, name plates or other identification, showing that these are work areas for Contractor or subcontractor personnel.

#### **H-5 LIMITED RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (5252.227-9207) (APRIL 2010)**

- (a) Definition.

“Confidential Business Information,” (Information) as used in this clause, is defined as all forms and types of financial, business, economic or other types of information other than technical data or computer software/computer software documentation, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if -- (1) the owner thereof has taken reasonable measures to keep such Information secret, and (2) the Information derives independent economic value, actual or potential from not being generally known to, and not being readily ascertainable through proper means by, the public. Information does not include technical data, as that term is defined in DFARS 252.227-7013(a)(14), 252.227-7015(a)(4), and 252.227-7018(a)(19). Similarly, Information does not include computer software/computer software documentation, as those terms are defined in DFARS 252.227-7014(a)(4) and 252.227-7018(a)(4).

- (b) The Space and Naval Warfare Systems Command (SPAWAR) may release to individuals employed by SPAWAR support contractors and their subcontractors Information submitted by the contractor or its subcontractors pursuant to the provisions of this contract. Information that would ordinarily be entitled to confidential treatment may be included in the Information released to these individuals. Accordingly, by submission of a proposal or execution of this contract, the Offeror or contractor and its subcontractors consent to a limited release of its Information, but only for purposes as described in paragraph (c) of this clause.

- (c) Circumstances where SPAWAR may release the contractor's or subcontractors' Information

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. NS02	AMENDMENT/MODIFICATION NO. 05	PAGE 33 of 60	FINAL

include the following:

(1) To other SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in handling and processing Information and documents in the administration of SPAWAR contracts, such as file room management and contract closeout; and,

(2) To SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in accounting support services, including access to cost-reimbursement vouchers.

(d) SPAWAR recognizes its obligation to protect the contractor and its subcontractors from competitive harm that could result from the release of such Information. SPAWAR will permit the limited release of information under paragraphs (c)(1) and (c)(2) only under the following conditions:

(1) SPAWAR determines that access is required by other SPAWAR contractors and their subcontractors to perform the tasks described in paragraphs (c)(1) and (c)(2);

(2) Access to Information is restricted to individuals with a bona fide need to possess;

(3) Contractors and their subcontractors having access to Information have agreed under their contract or a separate corporate non-disclosure agreement to provide the same level of protection to the Information that would be provided by SPAWAR employees. Such contract terms or separate corporate non-disclosure agreement shall require the contractors and subcontractors to train their employees on how to properly handle the Information to which they will have access, and to have their employees sign company non disclosure agreements certifying that they understand the sensitive nature of the Information and that unauthorized use of the Information could expose their company to significant liability. Copies of such employee non disclosure agreements shall be provided to the Government;

(4) SPAWAR contractors and their subcontractors performing the tasks described in paragraphs (c)(1) or (c)(2) have agreed under their contract or a separate non-disclosure agreement to not use the Information for any purpose other than performing the tasks described in paragraphs (c)(1) and (c)(2); and,

(5) Before releasing the Information to a non-Government person to perform the tasks described in paragraphs (c)(1) and (c)(2), SPAWAR shall provide the contractor a list of the company names to which access is being granted, along with a Point of Contact for those entities.

(e) SPAWAR's responsibilities under the Freedom of Information Act are not affected by this clause.

(f) The Contractor agrees to include, and require inclusion of, this clause in all subcontracts at any tier that requires the furnishing of Information.

## **H-6 REQUIRED INFORMATION ASSURANCE AND PERSONNEL SECURITY REQUIREMENTS FOR ACCESSING GOVERNMENT INFORMATION SYSTEMS AND NONPUBLIC INFORMATION (5252.237-9603) (AUG 2011)**

(a) Definition. As used in this clause, “sensitive information” includes:

- (i) All types and forms of confidential business information, including financial information relating to a contractor’s pricing, rates, or costs, and program information relating to current or estimated budgets or schedules;
- (ii) Source selection information, including bid and proposal information as defined in FAR 2.101 and FAR 3.104-4, and other information prohibited from disclosure by the Procurement Integrity Act (41 USC 423);
- (iii) Information properly marked as “business confidential,” “proprietary,” “procurement sensitive,” “source selection sensitive,” or other similar markings;
- (iv) Other information designated as sensitive by the Space and Naval Warfare Systems Command (SPAWAR).

(b) In the performance of the contract, the Contractor may receive or have access to information, including information in Government Information Systems and secure websites. Accessed information may include “sensitive information” or other information not previously made available to the public that would be competitively useful on current or future related procurements.

(c) Contractors are obligated to protect and safeguard from unauthorized disclosure all sensitive information to which they receive access in the performance of the contract, whether the information comes from the Government or from third parties. The Contractor shall—

- (i) Utilize accessed information and limit access to authorized users only for the purposes of performing the services as required by the contract, and not for any other purpose unless authorized;
- (ii) Safeguard accessed information from unauthorized use and disclosure, and not discuss, divulge, or disclose any accessed information to any person or entity except those persons authorized to receive the information as required by the contract or as authorized by Federal statute, law, or regulation;
- (iii) Inform authorized users requiring access in the performance of the contract regarding their obligation to utilize information only for the purposes specified in the contract and to safeguard information from unauthorized use and disclosure.
- (iv) Execute a “Contractor Access to Information Non-Disclosure Agreement,” and obtain and submit to the Contracting Officer a signed “Contractor Employee Access to Information Non-Disclosure Agreement” for each employee prior to assignment;
- (v) Notify the Contracting Officer in writing of any violation of the requirements in (i) through (iv) above as soon as the violation is identified, no later than 24 hours. The notice shall include a description of the violation and the proposed actions to be taken, and shall include the business organization, other entity, or individual to whom the information was divulged.

(d) In the event that the Contractor inadvertently accesses or receives any information marked as “proprietary,” “procurement sensitive,” or “source selection sensitive,” or that, even if not

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. NS02	AMENDMENT/MODIFICATION NO. 05	PAGE 35 of 60	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

properly marked otherwise indicates the Contractor may not be authorized to access such information, the Contractor shall (i) Notify the Contracting Officer; and (ii) Refrain from any further access until authorized in writing by the Contracting Officer.

(e) The requirements of this clause are in addition to any existing or subsequent Organizational Conflicts of Interest (OCI) requirements which may also be included in the contract, and are in addition to any personnel security or Information Assurance requirements, including Systems Authorization Access Request (SAAR-N), DD Form 2875, Annual Information Assurance (IA) training certificate, SF85P, or other forms that may be required for access to Government Information Systems.

(f) Subcontracts. The Contractor shall insert paragraphs (a) through (f) of this clause in all subcontracts that may require access to sensitive information in the performance of the contract.

Mitigation Plan. If requested by the Contracting Officer, the contractor shall submit, within 45 calendar days following execution of the "Contractor Non-Disclosure Agreement," a mitigation plan for Government approval, which shall be incorporated into the contract. At a minimum, the mitigation plan shall identify the Contractor's plan to implement the requirements of paragraph (c) above and shall include the use of a firewall to separate Contractor personnel requiring access to information in the performance of the contract from other Contractor personnel to ensure that the Contractor does not obtain any unfair competitive advantage with respect to any future Government requirements due to unequal access to information. A "firewall" may consist of organizational and physical separation; facility and workspace access restrictions; information system access restrictions; and other data security measures identified, as appropriate. The Contractor shall respond promptly to all inquiries regarding the mitigation plan. Failure to resolve any outstanding issues or obtain approval of the mitigation plan within 45 calendar days of its submission may result, at a minimum, in rejection of the plan and removal of any system access.

## **H-7 TECHNICAL DIRECTION (COST TYPE CONTRACTS) (5252.242-9202) (APR 1992)**

(a) Technical Direction may be provided to the Contractor from time to time by the Contracting Officer or Contracting Officer's Representative, if authorized, during the term (term is defined as the period of performance for the basic contract and any options that may be exercised) of this contract. Technical Direction will provide specific information relating to the tasks contained in the Statement of Work and will be provided to the contractor in writing. Any Technical Direction issued hereunder will be subject to the terms and conditions of the contract. The contract shall take precedence if there is any conflict with any Technical Direction issued hereunder, and cannot be modified by any Technical Direction.

(b) As stated, Technical Direction shall be issued in writing and shall include, but not be limited to, the following information:

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. NS02	AMENDMENT/MODIFICATION NO. 05	PAGE 36 of 60	FINAL

- (1) date of issuance of Technical Direction;
- (2) applicable contract number;
- (3) technical direction identification number;
- (4) description of Technical Direction;
- (5) estimated cost;
- (6) estimated level of effort by labor category; and
- (7) signature of the PCO/COR.

(c) If the contractor does not agree with the estimated cost specified on the technical direction, or considers the technical direction to be outside the scope of the contract, he shall notify the PCO or COR immediately and, in the case of the estimated cost, arrive at a general agreement to the cost of the task. Later, the employee drives to alternate work site #1 (50 miles) and then to alternate work site #2 (25 miles). Employee then drives to residence (10 miles).
